NETHERWORLD REOPENS THIS HOLIDAY FOR A ONE-DAY-ONLY LIGHTS ON TOUR

America's Favorite Haunted Attraction to Give Exclusive Lights On + Effects Off Experience Saturday, Dec. 9

ATLANTA: [NETHERWORLD Haunted House](#) is back just in time for the holiday season! For fans of fear and fright, the #1 haunt in America, NETHERWORLD, will reopen on Saturday, Dec. 9 for one day only to host VIP Lights On Tours. Throughout the day, experienced guides will take guests behind the curtains and into the haunts for an intimate look at the animatronics, creatures, and high-tech features that make NETHERWORLD one of the nation's most visited haunted attractions each year.

"Our Lights On Tours are very popular for die-hard fans," said Ben Armstrong, NETHERWORLD Haunted House Co-Creator. "It's the one opportunity each year for haunt fanatics to truly get an inside look at what it takes to put on one of the world's best-haunted attractions. Truly a can't-miss event that's fun for the whole family, especially around the holiday season."

Tour-goers will get to see every detail, big and small, within both of NETHERWORLD's 2023 haunts PRIMORDIAL and CRYPTID CHAOS; an experience that true haunted house fanatics will love. With the lights on and effects off, guests in very small groups will be led by a knowledgeable guide who will fully explore the storylines, operations, and history behind the attractions including discussions of movie sets, props from other classic haunts, and more. The event will also feature photo opportunities at select predetermined locations inside the haunts, and each person will receive a free souvenir printed photo to remember the occasion, as well as access to NETHERWORLD's House of Creeps Monster Museum.

Just in time for the holidays, Lights On Tour tickets are the perfect early experiential gift for the Halloween enthusiast or NETHERWORLD superfan in your life. Tickets are on sale for \$125 per person. Tour groups will contain a maximum of 6 people, and tours will be offered from 12-5 p.m. To check availability and purchase tickets, click [here](#). It is highly encouraged to purchase tickets online in advance as this event has an extremely limited capacity and will sell out.

While NETHERWORLD's haunted houses are officially closed for the 2023 season, the fun lasts year-round at House of Creeps Monster Museum and [Escape the NETHERWORLD](#), which now offers five thrilling escape rooms, including the recently opened *Alien Terror: Doom of the Dark Horizon*.
