ATLANTA: Spooky season is fully underway (every night through Nov. 2 and Nov. 7–8) and NETHERWORLD Haunted House is providing plenty of spine-tingling fun with this year's haunted attractions: [MONSTERS ATTACK!](#) and the twisted double feature, [OBLIVION: RETURN OF THE MANGLER](#) featuring **GRENDDEL'S FEAST**.

Between the haunts, however, lies a place where guests may have an even more fright-tacular time! Those who manage to survive NETHERWORLD's first haunt, MONSTERS ATTACK, will find themselves in the **Midway**, a spooky spot filled with Halloween magic. Haunt enthusiasts will find food, games, photo opps, and encounter some of their favorite creepy creatures and menacing monsters from both past and present NETHERWORLD haunt themes!

"The Midway is where the energy of the NETHERWORLD experience really comes alive," said Billy Messina, Co-Founder of NETHERWORLD Haunted House. "It's more than just a place to catch your breath between haunts – it's a Halloween playground with food, games, eerie encounters, and plenty of Instagram photo-worthy moments. Whether you're a hardcore haunt fan or just here for the Halloween vibes, the Midway is sure to deliver some unforgettable memories to all who enter."

Read on to learn everything NETHERWORLD fans can sink their teeth into in the Midway:

Scare-tastic Sips: NETHERWORLD-exclusive drinks, including Dr. Octane's Bizarre Beverages, colorful drinks that bubble, swirl, and smoke, "Blood Bags" that guests can sip like a vampire, and the Netherworld exclusive Zombie Rampage energy drink.

Ghoulish Games:

The Collector's Casket Ride: A fully immersive simulated burial experience where guests step inside a casket and encounter realistic sounds and scents, creating a spine-tingling yet safe "buried alive" adventure.
